Remarks

Don't miss an excellent opportunity to make this three story home your own! NEWER ROOF (replaced in 22/23), NEW FURNACE was replaced in 2024, and NEW FRONT WINDOW was replaced in 2024. The home features an open concept living/dining area with full eat-in kitchen. The laundry is adjacent to the kitchen and provides access to a fenced in back yard with concrete patio and shed. The home is a 5 bedroom home, currently two of the bedrooms on the second floor were made into one large bedroom but could easily be converted back to be 5 bedroom. The third floor has two more spacious bedrooms. The home needs updating and TLC but offers a very convenient location and is nearby to the up and coming Waterfront project in Allentown. Whether you are buying for yourself or as an investment, there is loads of potential and there is plenty of space to bring your personal touch.
